

How do I set complicated release criteria?

The answer will be explained with an example:

Suppose you want to achieve the following criteria for a test (assessment):

Group 1 must write from 8:00 – 9:00 on the 7th of March **or** Group 2 must write from 10:00 – 11:00 on the 7th of March.

Step 1

Add all 4 criteria so that your screen looks like this:
